PERSONAL POINTERS.

Frank Doster, chief justice of the
Kansas supreme court, has served in
a variety of professions. He started
as a railroad engineer, was next a soldier,
then an actor and finally a lawyer.

Senator Hoar, of Massachusetts, was
recently asked his opinion of a popular
speaker. "Well," was the slow reply,
"he explodes like Vesuvius, but
with none of the lava and all of the gas."

Vice President Roosevelt prefers to
be called by the title of "colonel" rather
than by that belonging to the exalted
civic position he now holds. "I
earned my colonelcy," he says, "and
the other thing came to me."

Sidney A. Witherbee, a millionaire
mine-owner and promoter of Mexican
railways, of Detroit, is said to carry
the heaviest life insurance of any man
in Michigan. He placed \$800,000 a few
days ago, making his total insurance
\$500,000. Mr. Witherbee pays in annual
premiums \$18,000.

Ten years ago Senator Thomas C.
Platt, of New York, was quite a robust
man, and seldom experienced a day's
illness. He has aged wonderfully in
the past few years, and especially since
the recent death of Mrs. Platt. His
term as senator will expire in 1903, at
which time he will be 70 years old.

The only American Indian in the
United States navy is Chapman Schen-
adoah, an Oneida 29 years old, who is
on the cruiser Atlanta. He served
through the war with Spain on the San
Francisco and the New York. The
dusky sailor, who is a favorite among
his shipmates, is a graduate of Hamp-
ton institute.

Prof. William Dewitt Alexander,
who has been for many years at the
head of the survey department of Ha-
waii, has resigned to accept a position
on the United States coast and geo-
detic survey. He will have charge of
that branch of the department which
has to deal with Hawaii and Samoa.
He is a native of Honolulu, his father,
a missionary, being a native of Ken-
tucky.

CURTAIN CALLS.

London is threatened with a dramat-
ic production of Oscar Wilde's fantas-
tic story, "The Picture of Dorian
Grey."

James K. Hackett may tour Australia
in the summer of 1902, a proposal to
that effect having been made to him
by J. C. Williamson.

Paris critics have treated the French
version of "Quo Vadis" with marked
hostility, asserting that it is a plagiar-
ism from the elder Dumas' "Acte"
and Chateaubriand's "Martyrs."

Charles Hawtree, who comes to this
country next season with a fine Eng-
lish reputation to back him up, will
appear in New York in the fall in "A
Message from Mars." He will be under
Charles Frohman's management.

The receipts of the 40 performances
of Gounod's "Faust" at the Paris op-
era house last year were \$145,450.
"Faust" was sung twice as often as
any other opera, "Les Huguenots" be-
ing the next in popularity, with 20 per-
formances.

Blanche Walsh's production of a
dramatic version of the novel "Joan
of the Sword-Hand" will be one of the
most important efforts to be staged
next season. She will spend \$30,000 on
it. Her supporting company will be a
particularly strong one.

TOWN TALK.

The zoo at Cincinnati has sold four
antelopes for \$1,000.

Milwaukee's birth rate exceeds by
four to the 1,000 that of any other
American city, it being 26.25 to the
1,000.

The first great fire in an American
city occurred in Boston, August 8,
1679. One hundred and fifty build-
ings were destroyed, causing a loss
of over \$2,000,000.

The only Chicago paper that has a
Sunday afternoon edition is the Daily
Jewish Courier, which is printed in
Yiddish. It is an enterprising publi-
cation, with type-setting machines.
